**RE: Verification of addition to the FedEx Express Approved Shippers List
For Lithium Batteries UN 3090**

**This communication is verification that your company has been added to the
FedEx Express Approved Shippers List for Lithium Batteries, Class 9, UN3090 .**

**FedEx Express has reviewed your documentation and requested pictures of your
packing scenario and found them to be in compliance with our acceptance policy
of this commodity.**

**This letter is 'not' required to be offered with your shipment(s) but can be shown
to the pick up courier or the acceptance personnel at any FedEx facility that accepts
Dangerous Goods in your service area.**

Regards,

A handwritten signature in black ink, appearing to read "Marvin Sudduth", written over the printed name.
